MEMORANDUM FOR: Chief, Programs Division, ORR

ATTENTION:

25X1

THROUGH: Chief, Requirements Branch, Reconnaissance Group, CGS

FROM: Chief, Photo Intelligence Division, CIA

SUBJECT: Search for Reported SA-2 SAM Sites Around Medan (03-40N 98-40E) and Surabaya (07-20S 112-43E), Indonesia

REFERENCES: (a) Requirement C-RE-4-81,949
(b) CIA/PID Project C 1697-64

1. This memorandum is in response to your requirement dated 28 October 1964 which requests twenty-five nautical mile radius searches around Medan (03-40N 98-40E) and Surabaya (07-20S 112-43E), Indonesia for the location of any SA-2 SAM sites.

25X1

2. The limited aerial photographic coverage available over the two requested search areas revealed no SA-2 SAM sites. No recent photography covers the Medan area and only limited coastal coverage of the Surabaya area has been provided by the program. has provided the only KEYHOLE system coverage of the two areas since March-

25X1

covered a ten nautical mile wide strip, with twenty percent cloud cover, over the Surabaya area (07-00S 07-29E and 112-39E to 112-49E) and no SA-2 SAM activity was identifiable. A thirteen nautical mile wide strip was photographed over Medan with twenty-five percent cloud cover (03-29N to 04-00N and 98-34E to 98-47E) and no SA-2 SAM activity was observed.
